Summary

PGSM microfic. Rei and Minako's lips meet.

- A translation of [Feux d'artifices](#) by [MiaQc](#)

As fireworks light up the sky, Rei and Minako's lips meet. They kiss for what seems like an eternity and then a scream makes them separate. It's Usagi. She doesn't understand why Rei and Minako kissed.

"Stupid Usagi," said Rei, "Minako and I are a couple."

"Huh? What?"

"Did you hear me? Minako and I..."

"Yeah, but how? I thought Minako liked boys."

Rei sighs and Minako smiles at Usagi. She explains that she likes girls too. Usagi still doesn't understand and Rei teases her.
